Larusée Bleue

Awarded Gold at Absinthe Masters 2013
Awarded Gold at San Francisco World Spirit Competition 2014

When you open a precious Larusée bottle, you dive into a universe of complex flavors! You enter a subtle world which combines perfectly balanced herbs and spices. Developed and handcrafted in Switzerland, in the Neuchâtel County, historic birthplace of the Green Fairy, Larusée is distilled in a very artisanal and traditional way, according to a recipe from the 19th century, improved over time and jealously guarded! The drastic selection of the best plants and herbs, its limited production and the know-how of our family, allow us to say that you surely own one of the finest in the world.

Larusée Bleue, 55% proof absinthe is at once seductive, enchanting and refreshing. Connoisseurs describe it as sophisticated, complex and round in the mouth. The discreet anise flavours are a fitting match for the aromas of absinthium and small absinthe.

Larusée Bleue is derived from an ancestral recipe, distilled using the methods of yesteryear - a far cry from industrial generics! The herbs used are painstakingly selected to produce the very best aromas. Our Master Distiller brings to bear all his expertise to honour the legacy of our forebears - and breathe a little of the thrill of prohibition into each glass. To achieve this, each bottle is prepared by hand, from bottling to labelling, including corking and wax sealing of the neck.

Suggestion: *Enjoy as an aperitif (1 measure of absinthe to 2-3 measures of very cold water) or as a digestif, neat.*

Content	700 ml
